MESSAGE

Dr. SUNDER ARYA
M.A. (Hindi) Parbhaker, MA, B.Ed., DNYS
Principal
KVM Sr. Sec. School

Dear Parents/Carers:-

Thank you for wanting to find our More about K.V.M. Global School, I hope this Information Booklet gives you all the information you need. As Parents, you want your children to attend a safe, happy school providing high quality education. The staff and governors of K.V.M. Global School work together to enable this to happen. we aim to do our very best for all our pupils, developing their talents and abilities to allow each one to reach their full potential.

If you have any question you would like to ask or would like any further information, to contact the school. We will welcome your suggestion all time to help you and your child.

It is an honour to me to serve as principal at K.V.M. Global School. I am privileged to work alongside the outstanding faculty, students and parents that make up our school community K.V.M. Global School that values a strong sense of community. Together a rigorous curriculum knowledge and dedicated staff 'and a caring Parents Community. The PTA Provides extensive activities for our students and staff in order to enhance the curriculum some of these activities for students to make the school an enjoyable place to learn and grow. The students and the entire staff appreciate and support their efforts in uplifting school

It is with great enthusiasm that our entire staff looks forward to this academic year. Together with the active participation of all members of our school community we will foster an environment in which each child reaches his/her potential. We are confident that this year school will be filled with rewarding experiences .

ART & CRAFTS

LABORATORY

BIO LAB.

Our laboratory is very spacious which can accommodate 40 students at a time.

- It is well equipped with highly advanced microscopes
- Verities of permanent slides are easily accessibly to the children.

CHEMISTRY LAB.

K.V.M. global school has a spacious and very well ventilated chemistry lab. It can accommodate 50 students at a time for performing the practical.

- It is well equipped with analytical & electronic balance required for performing experiment.

PHYSICS LAB.

Physics Lab :- To study & understand the dynamics of physics subject, practical knowledge of different phenomena is as important as the theoretical knowledge. It is well equipped with latest instruments so that every student gets the opportunity to carry out the experiments individually.

COMPUTER LAB.

Computer Labs in Schools has a Unique importance in Students life. Computer labs come in several configurations. Technology plays a major role in twenty-first century education.

P.T.M.

Parent-Teacher Meeting (PTM) is an important platform where parents and teachers engage in meaningful discussions about a student's academic progress, behavior, and overall development. It helps parents to understand their child's strengths, weaknesses, and areas that need improvement, while also allowing teachers to identify the individual needs of students more effectively.

ASSEMBLY

The students handle the Assembly themselves. They Chant the Vedic Mantras and Prayer with Musical Instruments. Each House gives it's Presentation on it's turn.

HAWAN YAJNA CEREMONY

On every Monday A Yajna is performed in the Assembly by the students who have their Birth Day in the week, Drop their offerings into the camphor and blessed by the teachers.

ARMY-WING

NCC (National Cadet Corps) is an organisation of the Government of India that prepares young students for discipline, patriotism, leadership and physical fitness. It is a tri-service organisation involving the Indian Army, Navy and Air Force, which includes school and college students.

GAMES

Our school is a great hub of sports. Our students participate in the sports day at the end of the every month. Students are divided into four houses. Surya, Indra, Varuna & Soma. Our students have also participated for the Block, Districts, State & National Level.

TOUR & TRIP

We all know that outer world must be Shown to the Students so we arrange our Tour & Trip every year to the near & Far places to increase the knowledge & understanding of the students.

SCOUTS & GUIDE

Every year our students get the opportunity of taking part in Scouts and Guide Camp upto the State Level. They play an important roll in discipline during school activities

LIBRARY

The school has a well-stocked library having nearly two thousand books and regular subscription of thirty international and national journals; magazines and daily newspapers. It caters the needs of the 1800 students at primary, middle, secondary and senior secondary level. The Library services are fully automated. The Library has reading halls at the ground floor. The reading halls accommodate fifty students.

KABADDI KHEL NURSERY

Kabaddi nurseries are training centers or academies where young players are taught the basic techniques, fitness, and game strategies of Kabaddi. These nurseries are especially for young children and teenagers so that they can master the game and reach the state, national and international level.
